Winter 2023

## Life Struggles After COVID...

Much of the world continues to recover from the aftermath of Covid-19, and Clara Mohammed School, Milwaukee, is no different.

**The lists of changes and challenges we are responding to humbly are:**

**A loss of over half of our student population**

**A loss of our transportation company**

**A loss of faculty and staff**

**A loss of our 2nd campus**

Alhamdu lillah, throughout these setbacks, our learning community continues to grow spiritually, and mindfully.

As we mentioned in our last update, we were blessed with a grant from a private Jewish foundation that paid for all our present faculty training in Mindfulness. After completing the training, teachers were given a stipend.

This year, the grant afforded the school the opportunity for students to participate in this training. Nothing completely changes overnight, but the school has a more peaceful environment. Alhamdu-lillah.

We are able to provide gas cards to our parents monthly for bringing their children to school and picking them up. Depending on the month, parents receive up to \$200 each month.

The donations we receive through the 100@50 help to provide additional food purchases during our meal program. Presently, are required to contract with a company that has terrible food. Many students will not eat, and we need our children nourished for learning to occur. Daily, we supplement the meal program with nutritious items.

**WE ARE LOOKING TO HOST A WONDERFUL CELEBRATION THIS SPRING, IN SHA ALLAH, AND WILL KEEP YOU POSTED IN CASE ANYONE WOULD LIKE TO JOIN US.**

**CHANGE IS INEVITABLE, HELP US SHOW APPRECIATION FOR THOSE WHO HAVE GONE BEFORE US, AND SHOW OUR SUPPORT TO THOSE WHO ARE COMING BEHIND US.**

**THANK YOU! THANK YOU! THANK YOU! FOR YOUR CONTINUED SUPPORT.**
